

# PHOTO CLUB: APPLICATION

Thank you for your interest in the SCA Photo Club!

Our Photo Club is a mix of beginner-through-advanced photographers who use a variety of cameras and cell phones and who share a passion for the art and craft of photography. We learn from one another and share our expertise. Our monthly meetings run from September through May. We focus on viewing and discussing the merits of photographs displayed at our meetings. Our meetings usually begin with segments called “Time to Shine” and a monthly theme. Both segments are voluntary. For “Time to Shine,” members submit photos that may have been taken anytime, anywhere. Conversely, monthly theme photos submitted by members need to be taken within the past month. Additionally, either an outside speaker or a member of the group with certain expertise may make a presentation. We conclude the two-hour meeting with a discussion of upcoming field trips.

Our field trips to places in and around the Las Vegas Valley are very popular. Some are widely attended. Others are smaller with pairs or groups of three or four who head out to explore and take pictures. The social aspect and camaraderie are key elements of these forays. Some of the places we have visited recently include Grapevine Canyon, Spirit Mountain, Springs Preserve, Horseman’s Park, and the Joshua Tree Wilderness near Searchlight.

Best wishes from the Photo Club Leadership Team

Susan Barcomb, Mary Ann Unger, Carolyn Jordan, Sharon Zoellner, Rick Bold, Ian Cheah, and Gary Williams
